RE: Important Provider Update

Dear Patient,

We would like to inform you of an important provider update at Premier Pulmonary and Sleep.

Effective **July 13, 2026**, **Dr. Gupta** will no longer be seeing patients at Premier Pulmonary and Sleep. Premier Pulmonary and Sleep remains the custodian of your records and will ensure a smooth transition while upholding extra ordinary commitment to care.

We are pleased to introduce **Dr. Amanpreet Kaur**, a board-certified pulmonologist trained at **Baylor Scott & White**, who will be joining our team and accepting new patients. Dr. Kaur will be seeing patients at our 3094 **Laura Lane location in McKinney, Texas**.

To ensure continuity of care, your future appointments and care **will be transitioned to Dr. Kaur**, and if such a transition is acceptable to you, **no action is required on your part**.

However, you do have choices to choose your physician and if you prefer:

- To continue care with another provider within our practice, or
- To transfer your care to another practice

Please notify us via Patient Portal, Email, physical Mail or Phone. We will gladly assist in sending your records to the pulmonologist of your choice.

Please note that if you request a **personal copy of your medical records**, fees may apply in accordance with **Texas Administrative Code and Texas Medical Board guidelines**. Charges may include reasonable fees for copies, electronic records, and postage as permitted by state law. However, you can access your medical records on the portal free of charge, or we can fax your records to the physician of your choice free of charge
